can be given to me. I will pass them on to the Minister. If all those supplementaries are to be put here, then the other important Questions will lapse. By this method, I am in fact not denying the right of hon'ble members, but I am enhancing it.

Sri M. GAVI.—I want to ask a supplementary on a point which has already been raised.

Mr. SPEAKER.—I have already said that all the supplementaries may be handed over to me to be passed on to the Minister. They may be handed over by tomorrow afternoon. They will be passed on to the Minister who will gather the information in about a week or ten days' time. Thereafter I will again have this Question included in the question list. Till then this question will be held over.

Grant of D. A. to Pensioners

*Q.—512 Sri B. P. KADAM (Karwar).—

Will the Government be pleased to state :—

(*a*) whether the State Government are granting D.A. to pensioners from time to time;

(*b*) whether this D.A. is denied to pensioners on whose pension book the words "O.G—Other Government"-are written even though they have retired after the reorganisation of States on 1st November 1956;

(*c*) if so, the reasons for this discrimination;

(*d*) the steps they propose to take to redress the injustice?

*A.— Sri B. D. JATTI (Minister for Finance).—

(*a*) Yes. A copy of the latest G.O. No. FD 35 SRP (1) 64, dated 23rd July 1964 in this behalf is placed on the Table of the House*

(*b*) The Mysore rates of D.A. are not admissible to other Government pensioners drawing pension in the Treasuries situated in the Mysore State except in the case of the following categories:—

(*i*) The pensioners of the erstwhile States of Bombay, Madras and Hyderabad who were drawing either anticipatory pension or final pension on 1st November 1956 from the Treasuries situated in the (New) Mysore State *Vide* G.O No FD 422 PEN 61, dated 6th April 1964 is placed on the Table of the House.

(*ii*) The pensioners of the erstwhile States of Bombay, Madras and Hyderabad who retired or proceeded on leave preparatory to retirement before 1st November 1956 but whose pensions were pending settlement on that date and after finalisation draw their pension in the Treasuries of the State.

---

*Copy placed in the Mysore Legislature Library *vide* No. 11 Dated 22nd March 1965.

(SRI B. D. JATTI)

(*c*) The pensioners of other States are paid their pension in our State only as a matter of reciprocal arrangements with the other States and, as they have not served in connection with the affairs of this State, they are not entitled to any benefits that are sanctioned to the pensioners of this State. Therefore the question of discrimination does not arise.

(*d*) In view of the replies to (*c*) no action is proposed to be taken.

Sri B. P. KADAM.—If I point out some injustices done to ndividuals coming under the category (*b*) (*i*) will the Hon'ble Minister be pleased to remedy them ?

Sri B. D. JATTI.—I may clarify the whole position. For some time there was some difficulty because under the old orders Government servants of the erstwhile States of Bombay, Hyderabad and Madras, if they were not residing in their respective erstwhile but States were residing in places like Bangalore, they were not allowed to draw their pension in Bangalore, but they were asked to draw their pension from the treasuries in the respective erstwhile State areas. Now we have allowed all those people to draw their pension from any treasury in the new Mysore State. To that the Accountant General raised certain objection. We have given clarification to all those objections and we will issue final orders in the course of 2 days and hence no injustice will be done to anybody.
